PROFESSIONAL PROFILE

Recent graduate with a web development certificate and a Bachelor of Management in Human Resources (BMgt), combining technical expertise in web development with strong understanding of organizational behavior and management principles. Demonstrated proficiency in HTML, CSS, JavaScript, and various programming languages. Passionate about creating digital campaigns that make a positive impact through creative and visual storytelling. My goal is to simplify user experiences (UX) and user interfaces (UI) to make people's lives easier. Committed to continuously improving technical skills through hands-on projects and ongoing learning.

SKILLS

Technical: HTML | CSS | JavaScript | Svelte | SQL | PHP | Tailwind CSS | Sveltekit | Skeleton UI | NPM | Postman | Git | Figma | Directus | Supabase

Soft Skills: Time Management | Problem Solving | Communication | Interpersonal | Attention to Detail | Teamwork | Technical Literacy | Self-Starter | Quick Learner | Organizational | Critical Thinking

- Web Developer Certificate (3.91 GPA)

University of Lethbridge, Calgary, AB | BMgt in HR with a Supply Chain Minor

Sept. 2015 – Feb. 2021

WORK EXPERIENCE

Full Stack Developer Intern (vanilla) | HTML 5, CSS 3, JavaScript, PHP

Feb. 2024 – May. 2024

Anime Creators (<https://animecreators.synology.me/chad-testing/marketplace.html>)

- Integrated a live PayPal system to the supervisor's PayPal business account to facilitate seamless transactions in the test phase of the e-commerce page.
- Designed and created visually appealing product information cards and an information page for a specific product using HTML and CSS.
- Developed a personalized login page for each registered user using PHP to enhance website security and provided a tailored experience.

PROJECTS

Portfolio Website | HTML, CSS, JavaScript, PHP (<https://chad-cervantes.github.io/portfolio/>)

May. 2024 – Present

- Developing and building my own personal website to document my skills and showcase my projects as a developer.

Web Developer Student | HTML, CSS

Southern Alberta Institute of Technology

Dec. 2023 – Dec. 2023

CPNT 260 Final Project (<https://chad-cervantes.github.io/cpnt260-final-project/>)

- Developed and built my first project using vanilla HTML & CSS for a fictional knife company named Sutaai Knife Co., effectively showcasing the variety of knives that they offer.

Web Developer Student | Svelte, Sveltekit, Tailwind CSS

Southern Alberta Institute of Technology

Dec. 2023 – Dec. 2023

Capstone Project (<https://commongrounddance.netlify.app/>)

- Developed and built a project using Sveltekit and Tailwind CSS for a professional dancer in its development phase, effectively showcasing their portfolio and services to attract potential clients.

Web Developer Student | Svelte, Sveltekit, JavaScript, Skeleton UI

Dec. 2023 – Dec. 2023

Southern Alberta Institute of Technology

CPNT 262 Final Project – Multipage Website with a gallery (<https://taskfinalproject.netlify.app/>)

- Collaborated with a partner to build a multipage website with a gallery feature using Svelte, replicating the functionality of a project management software service and demonstrating proficiency in Svelte, Sveltekit, and JavaScript.
